SUBJECT: Request for Lease Planning Report - Ft. Huachuca, Cochise County, Arizona.

TO: Chief of Engineers
Department of the Army
Washington 25, D. C.
Attn: Real Estate Division

1. It has been determined that a military requirement exists for the former post and cantonment area of Ft. Huachuca, Cochise County, Arizona, plus approximately 4,000 acres of additional unimproved adjacent land to be used for training purposes.

2. It is requested that representatives of your office meet with the appropriate representatives of the State of Arizona for the purpose of preparing a Lease Planning Report for the facilities required.

3. The Lease Planning Report should consider that the Government will require the right to construct such additional operating facilities as are necessary in the implementation of the Air Force Program at this installation.

4. Major Walter Holloway of the USAF Liaison Office (Los Angeles District) is familiar with Air Force requirements at Ft. Huachuca.
